Re: WMF Gala 2010

Date: March 22, 2010

On Friday March 5th the Wellington Management Foundation held its third-ever Gala event. It was an evening of dinner, dancing, education and fun to support the work of your Foundation.

By any measure, the evening was a great success. We had nearly 600 attendees comprising current and former Wellington Management colleagues and their guests. Donations through a variety of options exceeded our expectations, and of course all funds raised will benefit young people such as those from Epiphany School – Kevin, Cory, and Ngoc – who joined us as guests.

On behalf of the Advisory Board, I wish to thank all those who donated generously of their time, talent and treasure to contribute to the success of the WMF Gala 2010. We hope you enjoyed yourselves and learned a bit more about the work of your Foundation.

In an effort to stay connected with you, the Foundation will communicate more frequently, to provide you with timely updates and to offer ways for those interested to get involved.
